

RARITAN

The Most Dependable Name on the Water

SANI/FLEX SANITATION HOSE

10 YEAR
WARRANTY

Highest quality marine sanitation hose. Butyl rubber construction has the lowest odor permeation level of any rubber or PVC material hoses. Extremely flexible for easy installation with a low bend radius up to two times its diameter.

Features

- **Impermeability**
Special butyl white rubber compound tube odor free
- **Flexibility**
Allows tight bending radius making any installation easy
- **Reinforcement**
Double steel wire Helix with high strength synthetic textile yarn
- **Cover**
White – abrasion, ozone, seawater resistant rubber
- **Surface**
Smooth fabric finished – antibacterial vanilla scented
- **Interior**
Smooth walled – no ridges – easily fits over fittings

Warranty

10 year guarantee against odor permeation

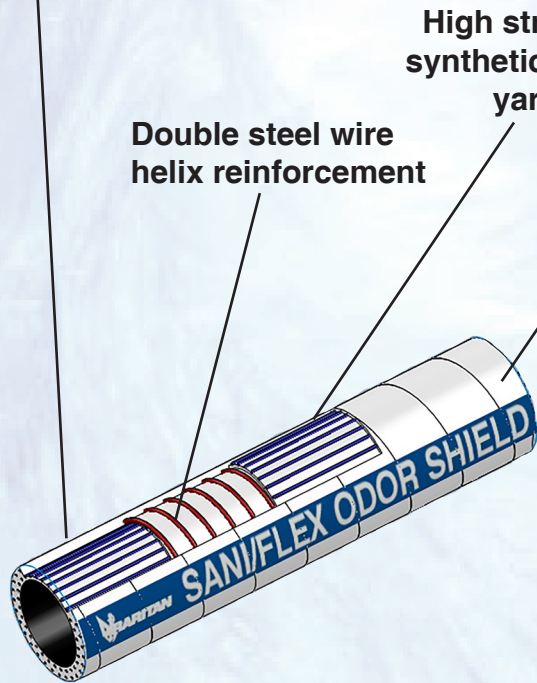

Raritan products are chosen by powerboat, sailboat, houseboat and RV owners and manufacturers the world over for their dependability, environmental responsibility, simplicity of installation, operation and maintenance. The product line includes house-hold style toilets, marine toilets, marine sanitation devices and systems, cleaning products, icemakers, water heaters and rudder angle indicators.
