

# RARITAN

The Most Dependable Name on the Water

## SANI/FLEX SANITATION HOSE

**NEW**

**5 YEAR  
WARRANTY**

Highest quality marine sanitation hose. Uses Butyl rubber construction which has the lowest odor permeation level not found in other rubber or PVC material hoses. Extremely flexible for easy installation with a low bend radius up to one time its diameter.

### Features:

- **Impermeability**  
Special butyl white rubber compound tube odor free
- **Flexibility**  
Allows tight bending radius making any installation easy
- **Reinforcement**  
Double steel wire Helix with high strength synthetic textile yarn
- **Cover**  
White - abrasion, ozone, seawater resistant rubber
- **Surface**  
Smooth fabric finished - antibacterial vanilla scented
- **Warranty**  
5 year guarantee odor shield sanitation hose
- **Interior**  
Smooth walled - no ridges - easily fits over fittings

*Raritan products are chosen by powerboat, sailboat, houseboat, and RV owners and manufacturers the world over for their dependability, environmental responsibility, simplicity of installation, operation, and maintenance. The product line includes house-hold style toilets, marine toilets, marine sanitation devices and systems, cleaning products, icemakers, water heaters, and rudder angle indicators.*
